

CURRICULUM VITAE

Name: Yuri Penkov Nyagolov (Nyagolov, Y.P.)

Date of birth: June, 9th, 1956

Place of birth: Dobritch, Bulgaria

Citizenship: Bulgarian

Nationality: Bulgarian

Education:

- English Language School, Varna, 1975
- Higher Medical Institute, Varna, graduated first in the course, 1982
- Three years postgraduate specialisation course in physiology, 1986-1989
- PhD Thesis - 2008

Present appointment: Associated professor at the Department of Physiology, Medical University, Sofia

Previous professional appointments:

- Medical doctor (practitioner), District Hospital Shoumen, Division of Obstetrics and Gynaecology, 1982-1985
- Assistant professor, Department of Physiology, Higher Medical Institute, Varna, 1985-1989
- Chief assistant professor in charge of the educational process, Department of Physiology, Medical University, Sofia, 2000-2011

Foreign languages: English, German, Russian

Membership of scientific and professional societies:

- Union of the Scientists in Bulgaria, 1985
- Bulgarian Medical Doctors' Union, 1990
- International Medical Association - Bulgaria, Varna, 1991
- European Haematological Association, Brussels, Membership Directory: 1995, 1996, 1997
- Bulgarian Society of Physiological Sciences, 1985. Member of the managing board and Treasurer 2011-2016, Vicepresident since 2-16.

Teaching experience:

- Lectures, seminars and practical exercises in physiology for medicine, dental medicine, pharmacy students in Medical University, Sofia and Medical University, Varna, Bulgaria.
- English language lecture courses in physiology for medicine, dental medicine and pharmacy students in Medical University, Sofia and Medical University, Pleven, Casa College. Cypress, Novedrate University, Chiasso, Italy/Switzerland.
- Physiology courses for nurses (bachelor's degree) - Medical University, Sofia and Medical University, Varna, Bulgaria.
- Physiology and anatomy courses for medical engineering students, Varna Technical University.

Signature:

Assoc. Prof. (Nyagolov, Y., MD, PhD)

БИОГРАФИЯ

Юри Пенков Няголов

Дата на раждане: 09.06.1956 г.

Място на раждане: Добрич

Образование и курсове:

- Първа Езикова Гимназия – Варна (англ. език) – 1975;
- МУ – Варна, 1983;
- Специалност Физиология – 1990;
- Курсове по медицинска педагогика и доцимология – 1993 и 2001;
- Курс 100 часа здравен мениджънт – МУ- София, 2002;
- Образователна и научна степен „Доктор” – 2008.

Настояща месторабота:

Гл. асистент към к-ра Физиология МУ-София от 1994 г.

(от 2001 г. зав. учебната дейност).

Предишни местотоработи:

- Ординатор АГ отделение Окр. Б-ца Шумен 1983-86 г.
- Асистент към катедра Физиология МУ-Варна от 1987 г.

Преподавателска дейност:

- Отг. за учебната работа в катедрата по физиология от 2001 година;
- Преподаване (практически упражнения) на студенти медици, дентални медици, фармацевети, ерготерапевти (**наднормена учебна натовареност**);
- Съредактор и съавтор на протоколни тетрадки за обучение на студенти медици, дентални медици и фармацевти, 2002-2012;
- Автор на учебни материали за обучение и самоподготовка на английски език в **Internet** на страницата на катедрата (физиология на кръвта, дишането, обмяна на енергията);
- Автор/съавтор на учебни пособия: филми (регулация на дишането), учебни табла, диапозитиви и др;
- Участник в авторски колектив за написване на Ръководство за практически упражнения по физиология за медици и дентални медици (раздели: дишане, обмяна на енергията, водно-електролитно и алкално-киселинно равновесие) – под печат;
- Участник в авторски колектив за написване на Ръководство за практически упражнения по физиология с протоколна тетрадка за медици **на английски език** (раздели физиология на кръвта, дишане, обмяна на енергията, хранене) – под печат;
- Участие в изготвяне на учебни програми за обучение на студенти медици, дентални медици, фармацевети, ерготерапевти и следдипломно обучение на работещи във фармацевтичната промишленост.

- Изнесен цикъл от лекции на английски език за медици, МУ-Плевен (Отделителна система, АКР, Ендокринна система) (2000-2001);
- Лекции (Физиология на кръвта), за медици и стоматолози МУ-София 2004;
- Лекции (Ендокринни функции на задстомашната жлеза; физиология на репродуктивната система), за медици и стоматолози МУ-София 2012;
- Преподаване в Медицински Колеж – Варна и Медицински Колеж – София на сестри, фелдшери и акушерки;
- Лекционен курс и практически упражнения по физиология на студенти от факултет Електротехника, изучаващи специалност „Медицинска Техника и Апаратура“ в ТУ – Варна, 2000-2003;
- **Обучение на чуждестранни студенти на английски език** от 2000 г.

Научни интереси и публикации в областите: хемостазеология, хемопоеза, физиология на храненето, атерогенеза, регулация на липидната обмяна, хемодиализа, регулация на бъбречните функции и артериалното налягане.

Ръководител на проект СМН, Договор 22/2009, отчетен, получил висока оценка. Двама студенти участници в проекта получават **две първи награди** с резултати от проекта на студентската научна сесия 2010 година.

Международна награда: Първо място в секция физиология, фармакология и клинична фармакология (*Negrev N, Nyagolov Y. Experimental data for influences of somatotropin and somatostatin on the extrinsic pathway of haemocoagulation in the rat. 6th European conference for students and young doctors of the Charite. Berlin, 19-21. Oct 1995, Abstr. Book, p. 134.)

Членство в научни дружества:

- Българско дружество по физиологични науки (член на управителния съвет от 2011 година);
- Българско дружество по физиологични науки – секция клинична физиология и спортна физиология, 2007;
- International Medical Association – Bulgaria (IMAB), Varna, 2003;
- European Haematology Association, 1996, 1997; Membership Directory;
- BASORD (Bulgarian Association for the Study of Obesity and Related Diseases), Sofia; 2006;
- Съюз на Учените в България, 1987.

Д-р Юри Няголов:
