

## RADIOLOGY – YEAR 4, GROUPS 44-49

All lectures and practical lessons will take place Google Classroom Platform. Students have to use their university e-mails (000000@medfac.mu-sofia.com). You will receive invitations to join two classrooms for the lectures and for the practical lessons. Attendance will be checked individually. Please do not use other personal emails or participating together from the same profile. If you have a problem with the classroom access, please contact your assistant.

The lectures will begin at 8:30. (room code - amata6u)

29.01. – Exam - Due to the epidemiology situation, official information will be given later.

We will keep you updated about any changes in the schedule.

The beginning of the practical lessons will be announced by the assistant on previous day. Attendance is mandatory.
