

RADIOLOGY – YEAR 4, GROUPS 33-38

All lectures and practical lessons will take place Google Classroom Platform. Students have to use their university e-mails (000000@medfac.mu-sofia.com). You will receive invitations to join two classrooms for the lectures and for the practical lessons. Attendance will be checked individually. Please do not use other personal emails or participating together from the same profile.

The lecture will begin at 8:30. (room code - xfd7jtw)

08.12 – Official student holiday

17.12 – the exam will be re-scheduled for dates after Dec 21, 2020

We will keep you updated about any changes in the schedule.

The beginning of the practical lessons will be announced by the assistant on previous day.
